Terrorism and the illuminati: A Three Thousand Year History

David Livingstone

<https://archive.org/details/TerrorismIlluminati>
<https://ia800809.us.archive.org/14/items/TerrorismIlluminati/Terrorism%20Illuminati.pdf>

“As above, so below”

A **three thousand year history of the occult** and its relationship with the **phenomenon of terrorism**, for the purposes of fomenting a **Clash of Civilizations** and a **New World Order** network of *secret societies* that date back to the 6th century BC **Babylonian Talmud** and a *plot to rule the world by magic and deception*. Under **Herod the Great**, a series of dynasties arose, who imposed a corrupt version of Christianity upon *the Roman world*. During the **Crusades**, their association with the **Ismali Assassins** formed the basis of what is known as **Scottish Rite Freemasonry**. When **Emperor Napoléon** conquered Egypt, these **Freemasons** reconnected with their brethren there, sparking developments like the *Occult Revival* of the late-19th century **Salafist Wahhabi reform movement of Islam**, promoted by **Saudi Arabia**, and **Nazism**. They founded the **Muslim Brotherhood**—a collective of impostors (akin unto ISIL) run by the **CIA** (and **MOSSAD**), to further the *globalist scheme for world domination*.

Appearances belie reality: With the Illuminati’s *near-complete control of all media*, the powers that be have instilled an inverted image of the real world (wherein Capitalism and Communism are two sides of the same coin).

Closely paralleled events recounted in the **Christian Gospels** were actually written by famed *Judeo-Roman historian Josephus*—author of *The War of the Jews*, under the direction of the 1st century **Flavian emperors** The purpose of these texts was to establish a *peaceful Jewish sect* to counterbalance the *militaristic Jewish forces* that had just been defeated by the **Roman Emperor Titus** in 70 AD—*a new religious movement* that would aid them in maintaining *power and order* in Judea.

Josephus embedded the story of **Titus’ glorious military victory and the destruction of the Second Temple** in the **Gospels**—as a sly and satirical way of glorifying the emperors through the ages.

The U.S. Government has a ground based “Star Wars” weapon which has been long tested in the remote bush country of Alaska. This new system *manipulates the environment* which can (*as follows*): Disrupt human mental processes; jam all global communications systems; change weather patterns over large areas; interfere with wildlife migration patterns; negatively affect your health; unnaturally impact the Earth’s upper atmosphere.

The U.S. **military** calls its zapper **HAARP** (**H**igh-frequency **A**uroral **R**esearch **P**roject) which works in tandem with the **Super Dual Auroral Radar Network** (**SuperDARN**) to study *plasma* in the *near-Earth space system*; its interaction with the *Earth’s atmosphere and geospace environment*. But this skybuster is not about the Northern Lights. This device will turn on lights never intended to be artificially manipulated. Their first target is the *electrojet—a river of electricity that flows thousands of miles through the sky* and down into the *polar icecap*. The electrojet will become a *vibrating artificial antenna* for sending *electromagnetic radiation* raining down on the earth. The U.S. **military** can then “X-ray” the earth and talk to submarines. But there’s much more they can do with **HAARP**. This book reveals surprises from secret meetings.

Where Did the Towers Go? Evidence of Directed Free-Energy Technology on 9/11

Dr. Judy D. Wood (with a foreword by Eric Larsen)

<https://www.drjudywood.com/wp/>

☆→

This book is a *forensic analysis* of what effectively is a *crime scene*. **Ground Zero** and the *surrounding areas* were photographea countless thousands of times, yet no one really assessed all of the phenomena found in these photographs. What is presented in this book is *not a theory* and it is *not speculation*. It is the body of **empirical evidence** that must be explained in order to determine what happened at Ground Zero.

Many people have speculated as to who committed the **crimes of 9/11** and/or how they did so. Yet, before noon on 9/11/01, before any investigation had been conducted to determine what hadst hapt... we were told who did it, how they did it, and why they did it (*i.e.*, “*they hate us for our freedoms*”—yet try and stop the *tsunamigration Third World peoples escaping slavery under Islamic totalitarianism in countries throughout the Middle East, Asia and Africa*). But without addressing what happened, speculation of this kind is nothing more than “*conspiracy theory*.” Dr. Wood’s research is not speculation. It is a forensic investigation of what happened to the WTC complex on 9/11. She is the *only person to have filed her evidence with the courts in pursuit of truth and justice*... one of her court cases making it all the way to the Supreme Court.

There is no practical option to download this book for free... but, you can still view her lecture at the **Breakthrough Energy Conference 2012** (*as follows*):
